February 2015 — vol. 6 no. 1  
Edited by Anthony Skariot

---

Well, it's Groundhog Day...again.

Chances are, if you're reading this in real time, you will be somewhere warm when Phil makes his prediction the morning of February 2. You may be in your car, fighting snow on your way to work. ("Don't drive angry. Don't drive angry!") Many will be in cozy and snug in your beds, recovering from Super Bowl parties. Some may even be watching the Groundhog Day coverage live on PCN or the Weather Channel on your couch sipping a hot beverage, adjusting your Snuggie to cover your feet.

Whatever you do this holiday, please be safe, and be informed. Make sure to check the feed from our Facebook and Twitter pages for updates from Groundhog Day weekend in Punxsutawney. Share with your friends as well.
