E. Discount Cards:

Discount cards offer our members discounts and special offers from clubs/events/affiliates. We have affiliates that operate businesses of all kinds including, restaurants, beauty shops, tire shops, clothing stores, and many more!!! We will be offering two levels of discount cards, the lower level one will be cheaper and will have a lower level of discount (i.e. 10% off as compared to 75% off), the higher level card will be slightly more expensive but with better discounts! Each discount card will be good for one year from the time of purchase and will honor all discounts added before and after purchase date. It is your job to let members know of the two different levels; once the cards are released we will have a comparison chart for the two. You also need to let affiliates know of the two different levels as well as the fact that they are not required to honor the discount cards but that it is a great promotion tool for their business! The more affiliates we have the more discounts we can offer our members. All promoters/models/dancers will be able to receive one discount card for their personal use at half off retail price. This will probably be the easiest way to rake in the cash because you can sell these cards to **ANYBODY!!!**
