featuring Ford and Fordson tractors and related equipment plus Fairbanks Engines

News from Mister Tinker

Hello Again Everybody!

I'm sure that you all are just as sick of this winter weather as I am...so much for global warming. It's time to get ready for the spring and summer activities. First up is the SPRING SWAP MEET. It will be held on Saturday, April 5th. The admission charge is \$5.00 at the gate, whether you set up or just attend. The gate will open at 7 am. The swap met is from 9 am until 3 pm. Sally Wilson has stepped down from spearheading the kitchen due to health reason in her family. Susan Van Meter has volunteered to take over the duties of head chef. There is a need for food items and help in the kitchen. If you can donate food items or want to help in any way, please contact Susan at 765-265-2882. Set up for the kitchen will be at 4pm on Friday. We always need help and donations in all of the activities that we do and the kitchen at the swap meet is very important, WHO DOESN'T LIKE TO EAT, and THE FOOD IS DELICIOUS. We hope to have a large turnout if the weather cooperates.

This year the tractor pull at the fair will be on Monday, July 14th. Registration will begin at 4pm and the pull will start at 6pm.

'Til next time...keep on tinkerin'
