

Vote for

Evendons Primary School Parent and Teachers Association

to receive an Aviva Community Fund award

Did you know you can help us raise funds, with just a few taps of a keyboard?
We're in the running to receive much-needed funding in the category of

Supporting the younger generation with a

Kitchen and demonstration area which would become the 'heart' of the school

Winning this would make a real difference, allowing us to

provide for all of our children and the wider community
